

District I Treatment Committee

2012 Workshop

Food, Fun & Fellowship

What does this committee do?

We carry the message of Alcoholics Anonymous into the Va Hospital, Windmoor, Fairwinds, Morton Plant, PEMHS, Turning Point, Bridges, Largo Med. and all Par Facilities. We also implement Bridging the Gap which encourages people leaving treatment to make a commitment with you to get to a meeting.

How Can I help??

Every group of Alcoholics Anonymous can grow by getting involved in taking meetings into treatment facilities. Every member can benefit by carrying the message to those who still suffer. One meeting a month or one meeting a week we have a schedule to fit your needs.
