

Each Group Has But One Primary Purpose...

Pinellas Safe Harbor is a new homeless shelter in Clearwater. This facility is intended to be used as a portal of reentry for inmates reentering the community from Florida Department of Corrections and the Pinellas County Jail, as well as homeless people off the streets. The facility is for men and women.

The District 1 Corrections Committee is responsible for carrying the message of Alcoholics Anonymous to this facility 3 nights a week; Monday, Wednesday and Friday from 8:00pm to 9:00pm. The committee is looking for homegroups to bring AA meetings into this facility for monthly commitments of one night a week.

Please have a representative from your homegroup contact Sean Tremblay at 727-290-7624 or sean_brianna@yahoo.com. The group representative would be responsible for making sure that members of that group would show up on their committed night for the entire month.

Pinellas Safe Harbor requires no background checks. The Corrections Committee asks that AA members leading these meetings have at least one year of sobriety.

The Corrections Committee is also looking for individuals with over a year of sobriety willing to obtain a background check to help carry the message of Alcoholics Anonymous into jails. If you are interested in this vital service please contact Corrections Committee Chair Danny O. at 727-638-6938 or dist1corrections@hotmail.com, or come to the Corrections Committee meeting on the second Monday of every month at 6:30pm at Central Office (Intergroup) 8340 Ulmerton Road, suite 220 Largo
